1.0 PURPOSE

This document provides guidance on site planning for, preventing, and responding to environmental and safety and health emergencies. This procedure applies to all employees of DNSC.

2.0 PROCESS

2.1 Emergency Preparedness and Response Procedures

Examples of emergency preparedness and response plans and procedures that provide specific guidance are as follows:

Guidance Documents:

- a) Spill Prevention, Control and Countermeasures Plan.
- b) Emergency Response Plan are available but are uncontrolled documents due to security and privacy requirements.

2.2 Revisions/Testing

Emergency preparedness and response plans and procedures shall be reviewed and revised as necessary after the occurrence of emergency situations or as delineated within said documents. The plans are exercised when practical, minimizing disruptions of operations.

2.3 Reporting

Environmental and safety and occupational health emergencies are reported as required by applicable federal, state and local regulations.
